

VANTAiO

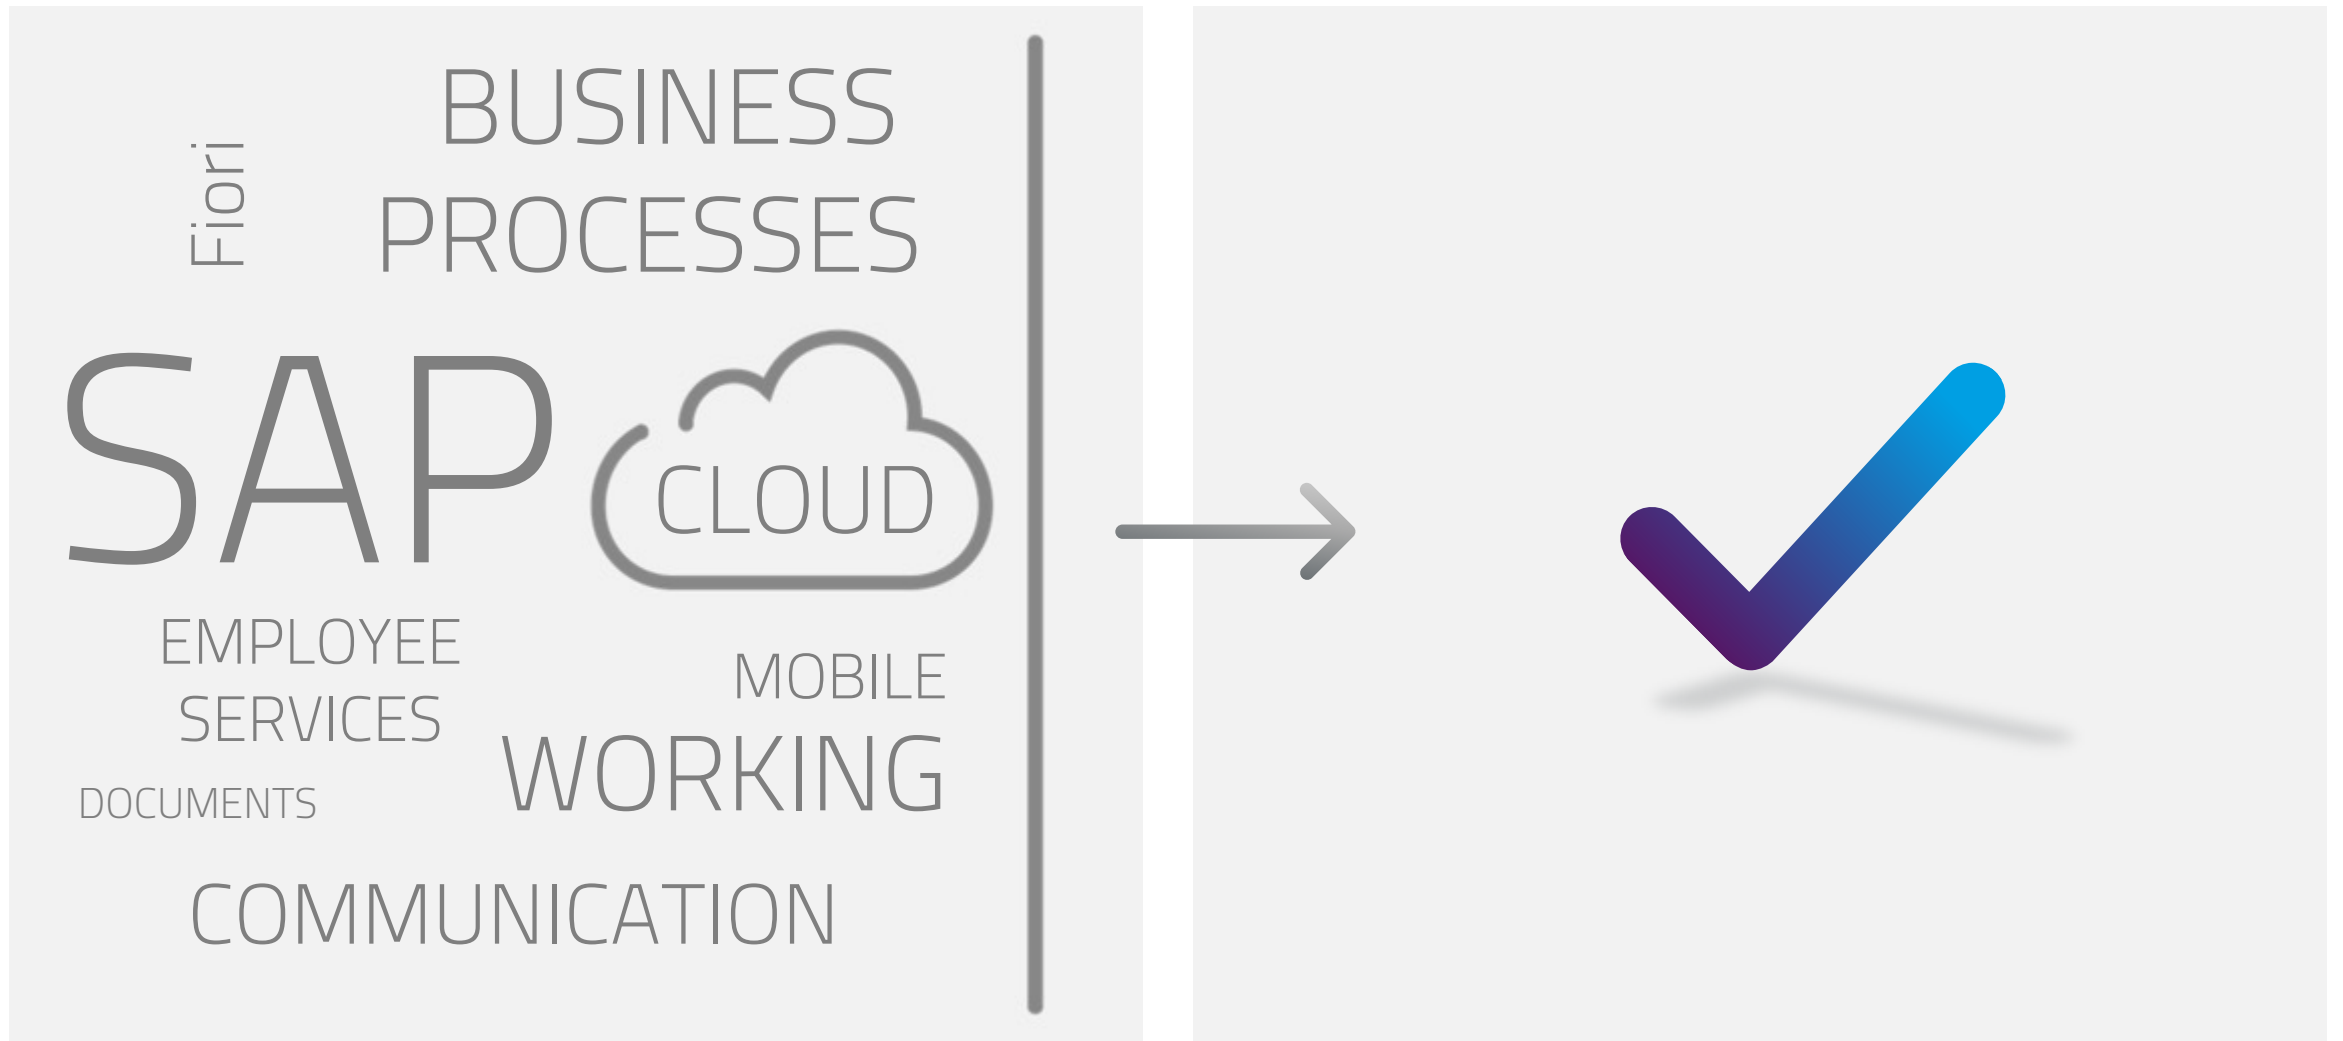

Your #1 for Digital Workplaces with SAP

Stefan Bohlmann, CEO

Mainz, 11.4.2023

Our claim: Implement complex requirements **simply**

Efficient. User-centered. With SAP.

Digital work
often takes
place at the
office desk...

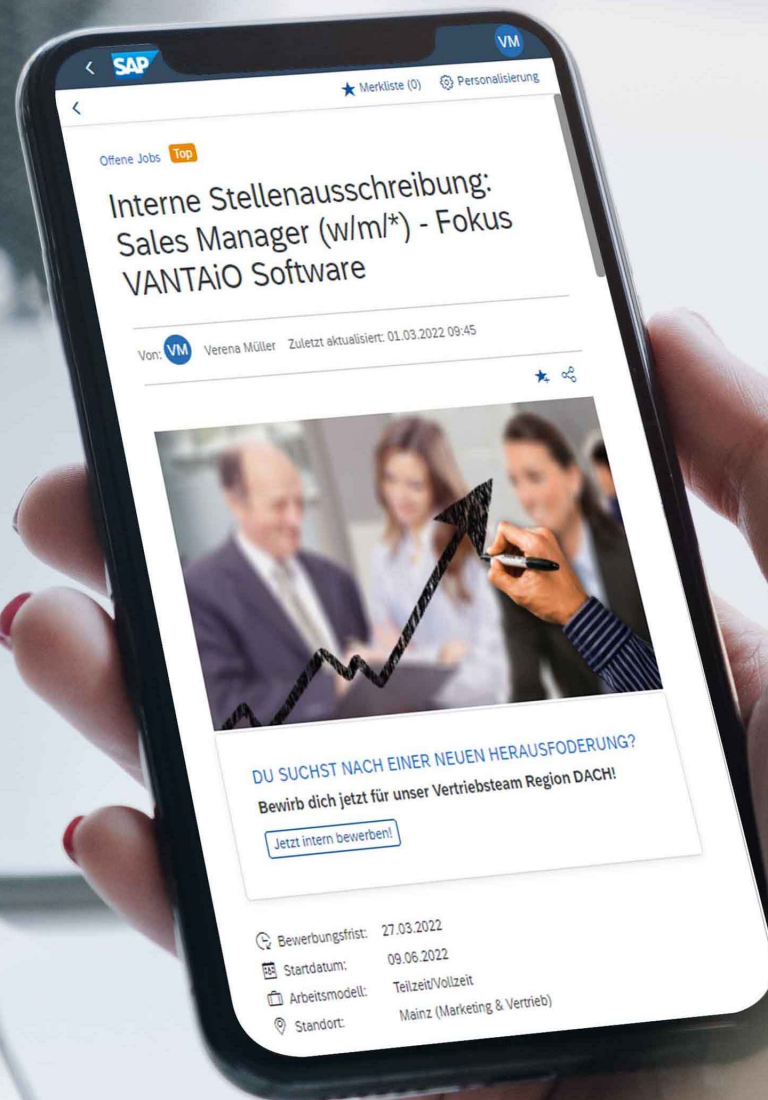

...but partly
with very
special
software.

Digital work
does not
necessarily
have to take
place at a
desk...

The
smartphone as
a work tool...
quickly retrieve
something.

Working on
the move on
the train...

Collaborative
work situations
(meetings,
discussions, etc.)
